6th Oral Implantology and Soft Tissue Aesthetics Symposium

CGDP is proud to present the 6th Oral Implantology and Soft Tissue Aesthetics Symposium – Implant Decision in the Aesthetic Zone, Decision Tree for Long-term Success, A Mastercourse, on the 17th and 18th November 2018. This year, we have invited our keynote speaker Prof Nikos Mattheos from the University of Hong Kong. He is a much sought after speaker and is known to

many, who have taken his 1 week ITI Course in Hong Kong, as a great educator. The 2 days course featuring a one and a half day lecture and a half day hands-on workshop will be a great learning opportunity for all who will like to learn more about placing and restoring implants in the aesthetic zone.
