## Announcement - 02.02.18 (Fri)

Dear SDA Member

### HAPPY HOLIDAYS!

SDA would like to wish all our Chinese members and friends Happy Lunar New Year!

The SDA secretariat will be closed for half day on Thursday, 15th February from 1.00pm. We will resume office on Monday, 19th February 2018.

**FEEDBACK**

## **NUS Undergraduate Research Opportunities Programme (UROP)**

Hello Dentists!

We are a group of 3rd year undergraduate students from Faculty of Dentistry, National University of Singapore enrolled in the Undergraduate Research Opportunities Programme (UROP) under supervision and guidance of Dr

Nattharee Chanchareonsook (Consultant, National Dental Centre), and Dr Raymond Wong (Assistant Professor, National University of Singapore). Our project title is **“Is the Management of Dry Socket in Singapore different from current best practice? A look at current practice and best evidence.”**

Your input is of great importance in our research and we would greatly appreciate if you would spare a few minutes of your busy schedule to participate in our survey.

[\*\*BEGIN SURVEY HERE\*\*](#)

If you are interested in the results and progress of our research, please contact us at [E0005128@u.nus.edu](mailto:E0005128@u.nus.edu) and we will be glad to share our findings.

Thank you very much for helping us out with the survey and have a great day ahead!

# **Thomson Paediatric Dentistry Team: A Big team to attend to your Paediatric Dental Emergencies and Needs**

Do you find treating young children a challenge?

Does your heart rate and blood pressure rise when a child patient squirms and screams on your dental chair?

Does the sight of early childhood caries fill you with dread?

Your worries are over!

We have a team of 3 experienced Paediatric Dentists at 2 different locations ready to cater to your paediatric dental needs.

Do consider arranging an early appointment with us if you have any issues managing the dental treatment needs of your paediatric patients.

We can attend to your challenging paediatric patients so you can make the most of your precious clinical time.

## **We provide the following Paediatric Dental Services:**

- Comprehensive dental management of children from infancy to adolescence including those with special healthcare needs
- Restorative and preventive treatment of dental caries and other oral conditions
- Local Anaesthesia using computer assisted system (Wand)
- Nitrous oxide Inhalational Sedation
- Oral rehabilitation under General Anaesthesia

- Early Orthodontic treatment
- Minor surgical procedures e.g. frenectomy using soft tissue laser

We look forward to managing your paediatric patients with you.
