We are moving the TIMA Dental Conference venue....

TIMA Singapore Dental Conference 2018

Date: 26 Aug 2018 (Sunday)

Time: 7.30am – 5pm

Venue: Orchard Hotel Singapore @ Orchard Road

G.O.H.: Professor Patrick Finbarr Allen

Dean, NUS Dental Faculty

CPE points: 8 pts

Registration: Free

A big thank you to all SDA members for your enthusiasm and overwhelming support of the TIMA Singapore Dental Conference 2018.

Please be informed that we have moved the conference to the Orchard Hotel @ Orchard Road. This is to increase the seating capacity to accept all who have applied earlier to attend the conference, but who were put on waiting list.

Currently we have limited vacancies left for those keen to attend the conference but did not register on time at our April launch. Dentists, OHTS and DSAs are now welcome to submit your applications online via "dentalconference2018.tzuchi.org.sg". Acceptance of new applicants will again be on first come basis, but dentists whose DSAs also register will be given priority.

All who have applied earlier, please do not re-apply as your applications have already been accepted. Our TIMA volunteers would have already contacted you through smses or emails to confirm your registration.

Please log in dentalconference2018.tzuchi.org.sg for the latest updated programme.

6th Oral Implantology and Soft Tissue Aesthetics Symposium

CGDP is proud to present the 6th Oral Implantology and Soft Tissue Aesthetics Symposium – Implant Decision in the Aesthetic Zone, Decision Tree for Long-term Success, A Mastercourse, on the 17th and 18th November 2018. This year, we have invited our keynote speaker Prof Nikos Mattheos from the University of Hong Kong. He is a much sought after speaker and is known to many, who have taken his 1 week ITI Course in Hong Kong, as a great educator. The 2 days course featuring a one and a half day lecture and a half day hands-on workshop will be a great learning opportunity for all who will like to learn more about placing and restoring implants in the aesthetic zone.

MINOR ORAL SURGERY for GDPs

King's College London Dental Institute and Asia Pacific Dental Institute (APDI) proudly presents MINOR ORAL SURGERY for GDPs 26th Nov - 28th Nov 2018

This 3-day hands-on intensive programme is intended to provide GDPs the principles and techniques involved in Minor Oral Surgical (MOS) procedures which covers soft tissue handling, surgical extractions, wisdom tooth removal, radicular surgery, socket preservation, bone grafting, suturing and management of complications. The course will also include hands-on animal jaw work each day.

Learning Outcomes:

- To assess the patients before Minor Oral Surgical procedures.
- To be able to perform surgical extractions & wisdom tooth removal.
- To be able to help the patients with socket preservation after extractions.
- To be able to gently manipulate the soft tissues during the MOS procedures.
- To apply the knowledge in managing complications during the MOS procedures

Principal Course Tutor: Dr Kashif Hafeez

Assistant Tutor/Quality Assurance: W D Sharpling Director of LonDEC,
King's College

Assistant Tutor: Teo Bo Tiong Noah

Date : Monday, 26th - Wednesday 28th November

Time : 9AM–6.00PM

Venue : Suntec Guild House

CPE : points will be awarded.
