Implantology – Live Surgery, Hands-on Implants, Theory

Edra Academy with its multitasking experience in teaching and professional training, offers the most qualified scientific courses in dentistry. Our mission is to train dentists and help them offer the best possible service for patients' wellbeing.

Implantology – Live Surgery, Hands-on Implants, Theory

Aim of the course is to provide attendants with a thorough understanding of how and when Implantology should be the choice of election in treating patients. [The course](#) is introduced by a general overview of the basic principles of implantology and osteointegration. This is followed by patient evaluation with the support of the most advanced diagnostic techniques. Single and multiple implant techniques on the upper and lower jaw, from single tooth substitution to the treatment of the edentulous patient (and with the several situations in between) are described in detail and will also be subject to practical activity.

Call for nominations for the National Health IT Excellence Awards 2017!

The National Health IT Excellence Awards is an annual distinguished award presented by the Minister for Health, Mr Gan Kim Yong, to encourage both public and private healthcare institutions to achieve excellence through IT. This year, we have calibrated [the award categories](#) to better reflect the changing needs of our healthcare landscape and aspiration towards a healthcare system that is future-ready and sustainable.
