**Health Products Regulatory Conference
(HPRC) 2017, 18-19 May 2017, Academia**

We are happy to inform that the Health Products Regulation Group of Health Sciences Authority (HSA) will be organizing **Health Products Regulatory Conference 2017** in collaboration with Duke-NUS Centre of Regulatory Excellence (CoRE) on **18 – 19 May 2017**.

As with previous conferences that we had organized, the main objective is to bring various stakeholders together to learn from the experts, as well as to exchange thoughts and perspectives on matters related to health products. The conference also provides a unique opportunity for the industry to network and provide feedback.

We look forward to your support for this conference which brings together speakers from the academia, research institutions, industry and government agencies. The conference programme and other details are now available on the event website.

There is a limited capacity for this conference, and registration for this conference is based on a first-come, first-served basis. Register now to enjoy the early bird rate.

We hope to see you at the conference on 18 – 19 May 2017.

Thank you.

Preschool Children Dental Visits

SDHF in collaboration with Lion Corp Systema is organising visits to dental clinics for preschool children. As we know most parents do not bring their children for regular dental checkups, most children are fearful when they need dental treatment.

Conducting a tour of dental clinic with their friends is one of the best way to introduce them to the dental environment.

As such we would like to invite dentists to participate. SDHF can help organise this trips with the preschools in your neighbourhood. Your participation not only helps contribute to your community but also help promote your clinic in your neighbourhood.

Systema will donate a goodie bag to each child.

Dental Mission to Cambodia

This is the first time SDHF is organising a dental mission. We have identified a rural area known as Baray District which is about 100 km from Phnom Penh,

Cambodia. Tentative dates are May or June 2017. We will be providing dental checkups, education and minor treatment at the district hospital. Volunteers are most welcomed.

Donation of Dental Equipment

SDHF intent to set up clinics or bases in the various countries where missions are carried out. Our first countries targeted are Cambodia and Myanmar. These equipment can be utilise by all dentists and reduce their logistic need to carry all the equipment from Singapore.

Those dentist who are retiring are most welcome to donate their equipment.

Please contact Dr Seow (Tel: 97718365)
