OMP Oral Surgery Series

Managing Traumatic Dental and Oral Injuries

(10 September 2017) – 8.30am – 6.00pm

Novena Medical Centre #08-23

Trauma to the mouth and teeth is very common. This can result in a range of problems, including soft tissue lacerations, fractures and displacement of teeth; and fractures of the alveolus or jaws.

Proper diagnosis and appropriate management of these injuries is crucial to prevent long term complications for the patients.

This course, comprising of both lectures and hands-on training, is planned to give the attendees in depth knowledge for the effective management of common traumatic injuries.

Managing Impacted Wisdom Tooth and Roots

(FULL)

(9 September 2017, Saturday) – 8.30am – 6.00pm

Oasia Hotel

Official DSD Certification Course

Ever thought of designing the perfect smile for your patients, with the ease of your fingertips and clinic desktop?

ADSS is excited to bring you the first ever Digital Smile Design (DSD) course in Singapore, from **6-8 October 2017** at the Mandarin Orchard Hotel.

We have carefully handpicked one of the most well-known DSD certified instructors in the region, **Dr Fadi Yassmin** from Australia, and an equally famous technician and DSD certified instructor from Brazil, **Miss Carla de Castro**, to helm the course.

Upon completing this course, clinicians will be certified as DSD dentists, and be well-equipped to approach future cases with the DSD protocol, including having access to the DSD planning centre.

Limited seats left!

An Exclusive Invitation to a Citigold Private Client & Cortina Watch Event

Make time on Wednesday, 6 September 2017, for an evening of food, wine, champagne and watches with Cortina Watch at the Patek Phillippe Boutique. The SDA Welfare Committee and Citigold Private Client, in conjunction with Cortina Watch, has kindly organised this exclusive event for members of SDA, free of charge! (limited to 40 pax)

Let the intricate craftsmanship of timeless timepieces take you on a horological

journey of discovery and splendour. Wind down by spending an evening to appreciate one of the finer things in life. You could, perhaps, even be taking one home as you hear her calling your name with each tick.

If watches do not tickle your fancy, simply share a night with friends over food, wine and champagne. Gather a group of like-minded friends and bask at the incredibly priced timekeepers as you proudly flaunt the digital watch that adorns your wrist.

Whoever you are, join us for a spectacular night that is not to be missed!

Reserve your spot at <https://goo.gl/forms/p7UKf4GhPdX3bV062>

Thomson Paediatric Dentistry Team: A Big team to attend to your Paediatric Dental Emergencies and Needs

Do you find treating young children a challenge?

Does your heart rate and blood pressure rise when a child patient squirms and

screams on your dental chair?

Does the sight of early childhood caries fill you with dread?

Your worries are over!

We have a team of 3 experienced Paediatric Dentists at 2 different locations ready to cater to your paediatric dental needs.

Do consider arranging an early appointment with us if you have any issues managing the dental treatment needs of your paediatric patients.

We can attend to your challenging paediatric patients so you can make the most of your precious clinical time.

We provide the following Paediatric Dental Services:

- Comprehensive dental management of children from infancy to adolescence including those with special healthcare needs
- Restorative and preventive treatment of dental caries and other oral conditions
- Local Anaesthesia using computer assisted system (Wand)
- Nitrous oxide Inhalational Sedation
- Oral rehabilitation under General Anaesthesia
- Early Orthodontic treatment
- Minor surgical procedures e.g. frenectomy using soft tissue laser

We look forward to managing your paediatric patients with you.
