ITI Southeast Asia Annual Scientific Meeting 2017

"Simplifying Implant Dentistry"

You are invited to join The International Team for Implantology SEA section's Annual Scientific Meeting 2017 in Singapore at **ParkRoyal@Pickering on 26th**

August 2017.

Introducing

- Prof. Daniel Wismeijer from Academic Centre for Dentistry Amsterdam (ACTA), Netherlands,
- Dr. Kajorn Kungsadalpibob from Chulalongkorn University,
- Dr. Ang Chee Wan and Dr. Jerry Lim from National University of Singapore,

constituting the panel of speakers for an interesting whole-day lecture!

[Read full speakers' profile](#)

[View lecture topic and agenda](#)

Why should you attend?

The evolution in our digital era cannot escape the field of implant dentistry, with the strong trend towards time efficiency, quick treatment protocols and high precision.

In this meeting, you will get in-depth insights not only on digital dentistry, but also on platform-driven implant surgery, guided surgery in compromised implant sites, aesthetics in anterior implant teeth replacement, and more!

[Visit our website, and RESERVE YOUR SEAT online!](#)

Early Bird rates close on 30th June 2017, so hurry. *Entry is complimentary for ITI Members

About International Team for Implantology

The ITI is a worldwide Association of professionals in implant dentistry. The objectives of the ITI are the promotion and dissemination of knowledge about implant dentistry and related fields.

The International Team for Implantology (ITI) was founded in 1980 by 12 experts planning ahead for the future of their field. Their objective was an alliance of specialists to pursue research and development in an important and as yet untapped medical area on a voluntary and idealistic basis. Today, the ITI has more than 15,000 Fellows and Members. Through its growing number of national Sections, the ITI ensures the exchange of expertise and know-how via a modern, quality-conscious and efficient network.

Visit <https://www.iti.org> to find out more about ITI's events, membership, scholarships and more.
