COLGATE SYMPOSIUM - An Exclusive Invitation to You

13th April 2018 | 9.00am – 10.30am

Suntec Convention Centre, Level 4, Hall 406

Guest Speaker: Dr. Angelo Mariotti (DDS, PhD)

Topic: Teeth and Implants for Life

Healthy teeth and gingival tissues produce sparkling smiles and painless mastication for good nutrition. Natural teeth can last a lifetime but there are occasions when dental implants can play an important role. Recent evidence-based data have shown the survival, function, restorative success, aesthetics, cost-benefit and patient satisfaction with teeth is similar or superior to dental

implants.

The primary goal of modern dentistry should be to preserve the natural dentition, with the use of dental implants as an important adjunct when this cannot be accomplished. This presentation will contrast the advantages and disadvantages of saving natural teeth versus placing dental implants and provide evidence-based direction for appropriate home care for both teeth and implants.

Attend this symposium to enjoy:

- 1.5 CPE points
- Free Colgate samples worth up to \$38
- A chance to win one of 5 full IDEM delegate pass worth \$460*
- Colgate Duraphat high Fluoride Varnish voucher worth \$15

** A lucky draw will be conducted at the end of Colgate Symposium on 13th April 2018.*

CLEAR ALIGNERS, LET'S DO IT PROPERLY ON 20TH MAY 2018

Do not miss this chance to learn the new system on clear aligners from Korea. A systematic approach to diagnosis, treatment planning for the right case will be covered.

The speaker Dr Jinkyun Lee is a forerunner with many years of experience. He has also patented a research invention on clear aligner fabrication using dental data and formula.

Each participant will receive 1st start up appliance and 5 lucky participants will be given away 5 full set of appliance.

Please contact Mykonos team:

(Carol @ 91995227 | Julian @ 8233 3100 | Office @ 6538 3038 for registration by 18th May 2018 as seats are limited)
